Total Credits required: 10

Total Program Credits: 40

Students seeking a career as a registered nurse will need to complete an additional sequence of required courses. Please refer to the Associate of Science Degree Program checklist/planner and consult with the Dean of Nursing and Health Sciences.

Fond du Lac Tribal and Community College reserves the right to change when courses are offered. Program requirements are subject to annual review and revision. Students should use this program plan as a guide when selecting courses to complete a degree in a major. It is important that students consult with an advisor/counselor prior to registering for courses each semester.
