MINNESOTA TRANSFER CURRICULUM (40 Credits) and
ASSOCIATE OF ARTS CHECKLIST (60 Credits)

The Minnesota Transfer Curriculum (MnTC) is an agreement between FDLTCC, Minnesota State Colleges and Universities and the University of Minnesota. When completed in its entirety and documented on a student's transcript, the MnTC will transfer as a "package" to any MN State system school, the University of Minnesota and some private colleges. Students must fulfill the 10 goal areas and complete 40 liberal education credits while maintaining a 2.0 overall GPA. Courses with a superscript (i.e. GEOG 1020⁸) satisfy more than one goal area; however, the credits are only counted once toward the 40 credit requirement. For more information on the Associate of Arts degree, see page 3.

TOTAL CREDITS _____

Minnesota Transfer Curriculum (MnTC) courses with grades "A-D" transfer; however, a cumulative MnTC GPA of 2.0 is required. If the student's cumulative grade point average at the original institution is less than 2.0, no D grades for non-MnTC courses will be accepted in transfer from that school.

*AMIN 1050: Anishinaabeg of Lake Superior is required for all degree seeking students starting Fall 2001.

ASSOCIATE OF ARTS DEGREE REQUIREMENTS:

Students need a total of 60 credits (which includes a minimum of 40 MnTC credits) and fulfillment of two Physical Education credits. The A.A. degree is primarily intended for students who plan to transfer to a four-year institution to complete a Bachelor's degree.

In choosing courses, students should check their intended transfer institution for specific course and credit requirements. Through careful selection of courses, students can enhance their preparation for a planned four-year major.
