2020-2021 Award Letter Information Guide

This Guide is intended to help you understand your Award Letter, the various funds you may have been awarded, how to apply for work-study and loans, charge books, etc.

**HOW DO I READ THE AWARD LETTER?** The awards are listed in a table format just like in the example below. Funds are listed along the left, and enrollment levels are listed along the top. The award amount, in dollars, is listed where the fund and enrollment intersect. If there are no numbers listed next to a fund, or a fund is not listed, then you are not eligible for that fund.

**EXPLANATION OF THE FUNDS ON THE AWARD LETTER**

**Federal Pell Grant (PELL)** is a need-based grant fund that does not require repayment and was calculated by the U.S. Department of Education (ED) Federal Methodology (math formula) using the information on your FAFSA.

**Federal SEOG Grant (SEOG)** is a grant awarded to the neediest of students – Pell eligible - that does not require repayment. We are given a small amount of this fund each year and it is awarded on a first come-first served basis.

**Minnesota State Grant (MNSG)** is a need-based grant awarded to Minnesota residents that does not require repayment.

* You do not need to complete any more forms to receive the grants listed above—this is the end of the grant application process. Once you have earned a bachelor’s degree, however, you are no longer eligible for these grants.

**Federal Direct Loan** is a Federal Loan that must be paid back. The amounts listed on your award letter are calculations of your eligibility. If you receive any other funding, your loan eligibility may change. Also, if this is your last term at FDLTCC, your loan eligibility may change due to Proration (term cr’s/24 cr’s). To receive the loan funds you were awarded, you must be registered for 6 or more credits and complete separate application process 5 business days before the end of the term. To apply, go to Fond du Lac Tribal & Community College’s website (fdltcc.edu) Login (upper right) > Campus Account Access > log in > Financial Aid > select the correct term > Loans and complete all three (3) steps in the Direct Loan Application process. You do not have to begin repayment your loans until 6 months after you drop below 6 credits.

- **Subsidized portion:** No interest accrues until six months after you drop below 6 credits, including graduation.
- **Unsubsidized portion:** Interest accrues while taking classes.

When borrowing any type of loan, please consider the amount you will have to repay later. If you borrow student loans and at any time find that you can't make the payment, call your lender. Other repayment options may include a reduced payment, no payments, a payment amount tied to your income, and more. Guaranteed to keep you out of default!

**WORK-STUDY**

**Federal Work-Study** or **MN State Work-study** is a form of financial aid that you may earn during the academic year working a work-study job. There are only a limited number of work-study jobs on campus. If you are interested in finding out if you are eligible for a Work-Study job on campus, please contact the Financial Aid Office.
DISBURSEMENT INFORMATION

FDLTC applies financial aid funds to your bill beginning the 9th day of the term. If there are any funds left over, they will be disbursed to you via BankMobile using the method you chose when you set up your BankMobile account. Upon completion of Admission, a BankMobile Refund Selection Kit will be sent to the address you have given FDLTC. You will have two disbursement options: (1) use your personal bank account (“Another Account”), or (2) create a BankMobile Vibe account (for a monthly fee of $2.99). Please make your BankMobile disbursement choice ASAP to ensure timely disbursement.

All awards are considered ESTIMATES until disbursed. After funds have been disbursed, if you receive additional funding or we receive new information affecting your eligibility, funding amounts may have to be adjusted or reduced.

Your FDLTC account is credited with each source of funding as described below. To check if you have funds leftover or you still owe the school money, check eServices account (www.fdltcc.edu) > Current Students > Student eServices > Account Access > login > Bills and Payment > View Account > Show All Detail.

PELL, SEOG, and MNSG are disbursed beginning on the ninth day of each semester, or 3-4 business days after you receive your Award Letter, whichever is later.

Loan funds are sent in two separate “half” payments to the College’s Business Office by Electronic Funds Transfer (EFT) to your BankMobile card or bank account, depending on which option you chose. First time borrowers have to wait 30 days after the first day of the term before their first loan payment is disbursed. The rule of thumb is that loan funds are available in the Business Office 3-4 business days after the disbursement date listed on eServices account (www.fdltcc.edu) > Current Students > Student eServices > Account Access > Login > Financial Aid > select the correct term > Loans.

Minnesota Indian Scholarship and Tribal Funds are sent from their sources to the FDLTC Business Office based upon when you completed your financial aid file and tribal forms. The Notification Letter(s) that you receive from each funding source will list when they will send the funds to FDLTC.

ADDING, DROPPING, AND WITHDRAWING FROM CLASSES

Adding, dropping, and withdrawing from classes have an impact on your financial aid. Your financial aid is disbursed based on the classes you are enrolled for on the end of the 5th day of the term. If you add or drop after disbursement, your financial aid may be adjusted. Also, if you withdraw before receiving your financial aid, your financial aid may not pay for the classes you withdraw from. If you never attend a class and receive Financial Aid for that class, you may have to refund some or all of your Financial Aid.

BUYING/CHARGING BOOKS

When we processed your Award Letter we also notified the Bookstore that you are eligible to charge your books. So, don’t waste your time at the Financial Aid Office, go directly to the bookstore – they already know you can charge your books! Be sure to bring your class list with you to the Bookstore to ensure that you buy the correct books. You can only charge books through the eighth day of the term.

CHILDCARE EXPENSES

If you are eligible for the Minnesota State Grant, have children in day care, are not receiving Child Care funding from any other source, and meet certain income requirements, you may be eligible for the Minnesota Post-Secondary Child Care Grant. Please contact the Financial Aid Office for more information about eligibility and the application process.
SUPPORTS AND SERVICES

FDLTCC has numerous supports and services to help students in a variety of circumstances. If at any time you need assistance, please reach out to an instructor, advisor, Dean of Students, etc. – anyone you are comfortable with and they can assist you.

COSTS USED WHEN CALCULATING FINANCIAL AID ELIGIBILITY

According to Federal Regulations, institutions are to use certain expenses in the calculation of financial aid. The total of these expenses is the Cost of Attendance (COA). FDLTCC’s COA reflects average expenses in both the Cloquet and Duluth area. This figure is used only in the Federal Needs Analysis and Packaging processes to calculate your Financial Aid Eligibility. It does not reflect how much it will cost to attend classes at FDLTCC.

GENERAL INFORMATION

The College reserves the right to revise your Financial Aid Award(s) based upon updated information, the awarding of other funding, and availability of funds. If you receive any scholarships, grants, stipends, waivers, or any other source of funding, you must notify the Financial Aid Office as it may affect your financial aid eligibility. If this is your last term at FDLTCC, your loan eligibility may change due to Proration (term cr’s/24 cr’s). If you have not done so already, you must submit a current Academic Transcript from all schools you previously attended to the Admissions Office, even if you transferred from another college mid-year. For more information on financial aid go to Minnesota Office of Higher Education (ohe.state.mn.us) or U.S. Department of Education (studentaid.gov).

SUMMER FINANCIAL AID

If you think you may be attending summer classes, begin planning now! Summer is the last term in FDLTCC’s Academic Year, and most students who attend a summer term have already attended the previous Fall and Spring semesters, either at FDLTCC, or another school. Students are eligible for only a set amount of financial aid each year even if they have attended more than one school. So, if you have received your entire year’s award during Fall and Spring, you may have little to no financial aid left over to help pay for your summer expenses. There is no summer financial aid application. We automatically calculate and post summer Award Letters to their eServices account. Direct Loans must be listed on your Summer Award Letter AND you must be registered for 6 or more credits if you want to receive Direct Loan funds during the summer. If you want to know if you have Financial Aid remaining for summer, please contact the Financial Aid Office.
