MINNESOTA TRANSFER CURRICULUM (40 Credits) and
ASSOCIATE OF ARTS CHECKLIST (60 Credits)

The Minnesota Transfer Curriculum (MnTC) is an agreement between FDLTCC, Minnesota State Colleges and Universities and the University of Minnesota. When completed in its entirety and documented on a student's transcript, the MnTC will transfer as a "package" to any MN State system school, the University of Minnesota and some private colleges. Students must fulfill the 10 goal areas and complete 40 liberal education credits while maintaining a 2.0 overall GPA. Courses with a superscript (i.e. GEOG 1020⁸) satisfy more than one goal area; however, the credits are only counted once toward the 40 credit requirement. For more information on the Associate of Arts degree, see page 3
