Associate of Arts Degree Option:

To earn an Associate of Arts degree in addition to the Associate of Science degree outlined above, the student must complete a course from each of the following goal areas:

Natural Science (One course)

Humanities and Fine Arts (One course from a discipline other than the one chosen to complete the A.S.)

Physical Education (2 credits)

Fond du Lac Tribal and Community College reserves the right to change when courses are offered. Program requirements are subject to annual review and revision. Students should use this program plan as a guide when selecting courses to complete a degree in a major. It is important that students consult with an advisor/counselor prior to registering for courses each semester.
