Associate of Arts Degree Option:

To earn an Associate of Arts degree in addition to the Associate of Science degree outlined above, the student must complete a course from each of the following goal areas:

Goal 5: History and the Social and Behavioral Science (one course from Group 2)

Goal 6: Humanities (one course from different discipline)

Goal 10: People and the Environment

Fond du Lac Tribal and Community College reserves the right to change when courses are offered. Program requirements are subject to annual review and revision. Students should use this program plan as a guide when selecting courses to complete a degree in a major. It is important that students consult with an advisor/counselor prior to registering for courses each semester.
