*Hockey Casebook*; National Federation of High School Association

Students are expected to attend all lectures and working sessions, participate in all activities and discussion, listen to and follow directions, complete assignments on time, and request assistance when needed. Students are expected to assist with equipment when necessary. Attendance and class participation are critical in this class.

National Federation of HS Association-officiating hockey video.

### Special Information:

This class is intended for students of all ages and abilities. Any individuals who have not participated in physical activities are advised to consult a physician before participating. Any history of disease or disability requiring limited participation should be reported to the instructor. Activity classes even under the safest possible conditions can be hazardous. Safety rules must be followed to minimize the risk of injury. A portion of this course will take place at the ice rink, an ability to skate is necessary for certification, but not for completion of the course.

Relationship of proposed course to the department mission and goals:

This course develops skills in the individual area of officiating hockey. It meets the department mission by providing instruction in a lifetime physical activity. It meets the College Goal of wellness.

Wellness is the recognition and incorporation of healthy behaviors into one's lifestyle. The department of PE recognizes the value of participation in fitness and recreational activities as one of many important behaviors for the development of a wellness lifestyle. This course may contribute to your implementation of appropriate wellness behaviors.

Course goals:

Goal: To develop abilities (physical, cognitive, fitness, affective) necessary to participate in lifetime activity of officiating hockey.

Goal: To acquire a positive attitude toward physical activity and the knowledge and skills to develop and maintain an appropriate fitness level.

Learning outcomes: (A minimum of one learning outcome shall be provided for each course goal)

State a minimum of two assessment instruments for each learning outcome.

Outcome: To identify/articulate appropriate qualities of a hockey official.

Assessment: Written exam

Assessment: Practical demonstration of skills-observation reports

Outcome: To demonstrate appropriate mechanics for each call:

Positioning, Arms, Vocal, coordination and consistency

Assessment: Self assessment-game performance

Assessment: Performance check-off by instructor

Outcome: To demonstrate the responsibilities of officials in pre-game meeting.

Assessment: Self assessment (performance check-off)

Assessment: Quizzes

Outcome: To identify appropriate officiating attire and equipment.

Assessment: Written quizzes

Assessment: Observation reports

Assessment: Final standardized test

Outcome: To observe and critique interscholastic or intercollegiate contest:

Game situation and appropriate use of mechanics, appropriate attire, appropriate terminology, official to official communication.

Assessment: Quizzes

Assessment: Written report submitted to class

Assessment: Game performance-self
