

FINANCIAL AID

FINANCIAL AID

The primary purpose of the Financial Aid Office at Fond du Lac Tribal and Community College is to provide students with a simplified access to financial assistance to remove the financial barriers associated in pursuing their educational goals.

Overview of Financial Aid

Financial aid is designed to supplement the amount students and their families are expected to contribute to meet the cost of attending college. Sources and amounts of financial aid funding vary, and each student's application for financial aid is individually reviewed to determine eligibility. Eligibility is calculated by mathematical formulas which determine financial need, and the amount is the difference between the total cost of attending college for one year and the contribution of the student and their family. Amounts and eligibility are not randomly selected.

Each student applies for financial aid by completing the Free Application for Federal Student Aid (FAFSA) each year.

Financial assistance is awarded for one academic year at a time. The amount and type of aid awarded is dependent upon student household information calculated by a formula established by the Department of Education. Since funds for many programs are limited, early application is very important, preferably by April 15 of each year.

Application Process

Beginning January 1 of each year, applicants can complete the Free Application for Federal Student Aid (FAFSA) on line at www.fafsa.gov. The college's Title IV Code is: 031291. It is recommended to have completed your income tax forms before completing the FAFSA. After completing and filing the FAFSA, students will receive a letter from the Financial Aid Office in about three to four weeks.

Separate applications are required for Federal Direct Loans, Federal PLUS Loans, and scholarships. The most comprehensive resource for scholarships is available at the Fond du Lac Tribal and Community College website located at www.fdlccc.edu.

Students are encouraged, and in some cases required, to use the online financial aid forms, resources, and processes to the fullest extent possible. To do this, students provide a current email address to the Admissions Office, and then visit the Fond du Lac Tribal and Community College Financial Aid website at www.fdlccc.edu.

Disbursement of Funds

Satisfactory Academic Progress

Fond du Lac Tribal and Community College maintains an open-door admission policy, assesses students admitted, and provides developmental course work and other programs of assistance to support students' success. However, students must perform at an acceptable academic level to continue enrollment and to receive financial aid. Please refer to the Academic Policies section of the catalog for the complete Satisfactory Academic Policy.

Maximum Credits For Financial Aid

Students who meet all other eligibility requirements will be eligible to receive financial aid at Fond du Lac Tribal and Community College for a maximum of 150% of their program length (including credits transferred into Fond du Lac Tribal and Community College from other institutions.) Movement into another program may prolong this time frame. Please refer to the Academic Policies section of the catalog.

Refund and Repayment Policy

Financial aid recipients who completely withdraw from a term prior to the 60% point of that term are subject to the federal return of Title IV fund rules for any federal aid not earned and the MOHE refund calculation for Minnesota state financial aid programs.

The responsibility to repay unearned aid is shared by the institution and the student in proportion to the aid each is assumed to possess. The institution's share is allocated among the Title IV programs, before the student's share, in the following order: Federal Unsubsidized Direct Loan, Federal Subsidized Direct Loan, Federal PELL Grant, Federal Academic Competitiveness Grant, and Federal SEOG. Any remaining unearned aid is the responsibility of the student, must be collected from the student, and then allocated among the Title IV programs in the order indicated above.

Using MOHE's refund calculation worksheet, Fond du Lac Tribal and Community College will also calculate any refunds due to Minnesota state financial aid programs. Fond du Lac Tribal and Community College will calculate and return its share of unearned Title IV funds and Minnesota Financial Aid Programs no later than 30 days after it determines that the student withdrew. Students return their share of unearned aid attributable to a loan under the terms and conditions of the promissory note. Students required to return unearned monies should contact the Business Office to arrange repayment.
