Please contact a Fond du Lac Tribal and Community College advisor or program coordinator to register for classes and to discuss course placement options.

Waiver

In some cases, students not meeting the class rank, required grade point average or test scores may appeal to enroll in the CITS program. To appeal, the student and their counselor must fill out a FDLTCC waiver form. The CITS coordinator at your High School will have access to the waiver form.

Registration- Add/Drop/Withdraw

Registration for CITS courses occurs as part of the regular high school registration process. The high school instructor/CITS coordinator will assist you with the paperwork process.

College Policy

One of the most important things to remember when taking an FDLTCC CITS class is that you are an FDLTCC student. Students enrolling in college coursework for the first time should understand the implications of beginning a college transcript. Low or failing grades earned while still of high-school age can have a permanent impact on your academic future, putting your academic standing and future financial aid eligibility in jeopardy.

You are also responsible for knowing and following college policy. The FDLTCC Student Handbook can be found at:

<http://fdltcc.edu/wp-lib/wp-content/uploads/2015/03/CITSSStudentHandbookMarch-2015V2.pdf>

Academic Integrity

The primary academic mission of Fond du Lac Tribal and Community College is the exploration and dissemination of knowledge. Academic honesty and integrity are integral to the academic process. Academic dishonesty, cheating, plagiarism, and collusion are serious offenses that undermine the educational process and the learning experience for the entire college community.

Fond du Lac Tribal and Community College students are expected to understand and adhere to the concept of academic integrity and to the standards of conduct prescribed by the college's policy on Academic Honesty. Students are expected to assume responsibility for their work. Materials submitted in fulfillment of course, program, and college academic requirements must represent a student's own efforts. Any act of academic dishonesty attempted by a student at Fond du Lac Tribal and Community College is unacceptable and will not be tolerated.

Procedures

A course instructor, convinced that an act of academic dishonesty has occurred, has the authority to implement any of the following responses:

1. reprimand,
2. assignment of substitute and/or additional work,
3. re-examination,
4. lowering the grade for the assignment and/or course,
5. failure of and/or dismissal from the course.

The instructor will inform the chief academic officer who will determine if further disciplinary action is warranted.

A student who wishes to appeal a penalty imposed by an instructor may submit an appeal in writing. The appeal will be given to the chief academic officer. Students must submit complete and accurate information regarding an academic appeal. For more information, please see FDLTCC's student conduct policy: <http://fdltcc.edu/about-us/policies-reports/academic-campus-policies/student-conduct-code/>

Family Educational Rights and Privacy Act (FERPA)

According to the U.S. Department of Education, the FERPA policy regarding concurrent enrollment students states:

“If a student is attending a postsecondary institution - at any age - the rights under FERPA have transferred to the student. However, in a situation where a student is enrolled in both a high school and a postsecondary institution, the two schools may exchange information on that student. If the student is under 18, the parents still retain the rights under FERPA at the high school and may inspect and review any records sent by the postsecondary institution to the high school.”

For additional information, please see the U.S. Department of Education website at: <http://www2.ed.gov/policy/gen/guid/fpco/ferpa/index.html>.

Americans with Disabilities Act (ADA)

Fond du Lac Tribal and Community College is committed to meeting the specific needs of students with disabilities and fully complies with the provisions of Section 504 of the Rehabilitation Act of 1973 and the Americans with Disabilities Act of 1990. FDLTCC’s Satisfactory Academic Progress Policy

In order to remain in good academic standing, students must maintain an overall GPA of 2.0 and complete 67% of attempted credits. Students that drop below the 67% completion rate or a 2.0 GPA may be put on academic warning, probation, or suspension. If a student is placed on academic warning, probation, or suspension, the student’s ability to continue taking college classes or receive financial aid in the future could be affected. More on FDLTCC’s academic progress policy can be found at: <http://fdltcc.edu/about-us/policies-reports/academic-campus-policies/satisfactory-academic-progress-policy/>.

CITS Instructors

Approved high school instructors at your school teach CITS courses during the regular high school day. CITS teachers are supported by a FDLTCC faculty mentor. You should see at least one college mentor at your school two or three times per semester.

Course Syllabus

The first step toward success in any college class is to carefully read the course syllabus because, in addition to assignments, a course syllabus will contain vital information about course expectations, key dates, class attendance, textbook(s), other course resources and grading criteria.

Grading

Letter grades will be assigned in each course as an evaluation of student achievement. The student’s overall progress is measured by the cumulative grade point average, which is determined by dividing the sum of the grade points earned in all letter-graded courses (A–F) by the sum of all credits earned in those courses. The following grading policy is used throughout the Minnesota State system.

Grade	Definition	Grade Points per Credit
A	Superior	4.0
B	Above Average Achievement	3.0
C	Average Achievement	2.0
D	Below Average Achievement	1.0
F	Inadequate Achievement	0.0

Check Grades

Students can check their grades at the end of the course by logging in to their Campus Account at: [Login \(minnstate.edu\)](http://login.minnstate.edu).

Academic advising is an integral part of student success at Fond du Lac Tribal and Community College.
