following goal areas Natural Science	s: Humanities (from a discipline other than the one	used for the As	sociate of Science	degree)		

Fond du Lac Tribal and Community College reserves the right to change when courses are offered. Program requirements are subject to annual review and revision. Students should use this program plan as a guide when selecting courses to complete a degree in a major. It is important that students consult with an advisor/counselor prior to registering for courses each semester.
