

## 2021 – 2022 Final Examination Schedule

Regularly scheduled day classes will follow the schedule for final examinations stated below. Faculty not present during the scheduled examination time will be considered in violation of the MSCF contract. *Deviating from this schedule has a negative impact on students and other instructors*; therefore, either refrain from doing so or discuss the possibility with the Vice President of Academic Affairs at least four weeks prior to the scheduled examination. **Please note:** Your final exam(s) might be scheduled on a Friday, though your class(es) do not meet on Fridays; if possible, determine this prior to the semester's start and include the information on your syllabus to assist students with making early adjustments to their personal schedules.

**EXCEPTIONS** to the schedule below:

- **Special term classes** will schedule the final examination for the last regularly scheduled day of the class.
- **Evening classes** will schedule the final examinations for the last regularly scheduled evening of the class.
- **Classes with 1 or 2 credits** will schedule the final examinations on the last regularly scheduled day of class.
- Students may reschedule examinations if they have more than two examinations on the same day.
