The Summer Academy is a great time to meet new people, make life-long friends, and learn about what it takes to be successful in college! Students will get the full college experience by staying in the dorms at the Fond du Lac Tribal and Community College throughout the Academy.

The Academy is a FREE event that includes meals and transportation during the Academy.
Activities for Summer

• Network with admissions counselors
• Teambuilding activities
• Learn about educational pathways to various careers
• Receive information on how to prepare and apply to college
• Receive information on programs at various campuses
• Ojibwe Language lessons
• Learn tips and tricks for college applications
• Take mock college classes
• Experience college life by staying in the dorms
• Build life-long friendships
• Play Traditional Lacrosse

Goals of the Academy

• Assist high school students with their college and career plans
• Provide opportunities for students to explore careers
• Build intercultural communication skills
• Provide students with information for the college application process and the steps after being accepted
• Provide a safe, supportive, respectful, and fun environment for students to grow and start to think about their futures while creating lifelong memories and friendships
