

Fond du Lac Tribal and Community College

Voter Engagement Plan

- * Each fall and spring semester, voting information will be sent out to all FDLTCC students through email.
- * The housing director will work with Carlton County election officials (currently Melainy Nickila or Kevin DeVriendt), to provide a residential housing list 60 and 20 days prior to an election.
- * The campus vote coordinator for FDLTCC will reach out to LeadMN and Minnesota State to get updated information that LeadMN and Minnesota State are sending out to each campus to stay consistent with Minnesota State.
- * A table or booth will be set up in the commons area at FDLTCC with voter registration forms for students each semester, and in state election years this information will be provided 15 days prior to the preregistration deadline for the state general election. From time to time, student leadership will be at the table to help assist future voters.
- * A webpage will be created that provides information on the voter education plan, information on how to register and vote in Minnesota, resources on how to vote if the student maintains residence in another state, and applicable deadlines related to upcoming elections in Minnesota.
- * Each year, FDLTCC will submit a report by November 30 to the Office of Secretary of State. Reports will be submitted to:
