

Undergraduate Admissions Policy

Purpose

The purpose of the Undergrad Admissions Policy at Fond du Lac Tribal and Community College is to provide clear guidelines and procedures for admitting students, ensuring that the process is fair, transparent, and accessible to all prospective students. This policy supports the college's commitment to open access education, allowing individuals who have graduated from an accredited high school, successfully completed a General Education Development (GED) examination, or demonstrated an Ability to Benefit to pursue higher education. The policy also outlines the necessary documentation and criteria for admission, helping to maintain the integrity and standards of the college's academic programs.
