

Criminal Justice

Associate of Science Degree Transfer Pathway

The Criminal Justice Transfer Pathway [AS] offers students a powerful option: the opportunity to complete an [Associate of Science] degree with course credits that directly transfer to designated criminal justice bachelor's degree programs at Minnesota State universities.* The curriculum has been specifically designed so that students completing this pathway degree and transferring to one of the seven Minnesota State universities enter the university with junior-year status. All courses in the Transfer Pathway associate degree will directly transfer and apply to the designated bachelor's degree programs in a related field.

**Universities within the Minnesota State system include Bemidji State University; Metropolitan State University; Minnesota State University, Mankato; Minnesota State University Moorhead; Southwest Minnesota State University; St. Cloud State University; and Winona State University.*

| Course Number | Course Title | Credits | Course Number | Course Title | Credits |
