Dear future FDLTCC Education Advisory Committee,

I hope this message finds you well. Fond du Lac Tribal and Community College (FDLTCC) Elementary Education Program is preparing and updating the Education Advisory Committee. As either a past committee member and/or a new member I am hoping this is an opportunity that you may be interested in serving on a few times a year. You have either assisted our program or been a teacher, principal, superintendent, student, faculty or leader that has been a partner with the FDLTCC Elementary Education program, and I am inviting you to consider being an Education Advisory Committee member to continuously improve the quality of education for future teachers here at FDLTCC. The date we have planned is May 20 @ 12:30-1:30. Please respond to the calendar link.

A brief explanation of the FDLTCC Education Advisory Committee is to:

- Provide opportunity to develop and establish new relationships of the communities FDLTCC serves.
- Assist in preparing future educators with curriculum that is relevant to culture and academic needs.
- Collaborate as a community member for input with new ideas and innovative educator practice.
- Participate with input in reference to data practices and assessment to make sure teachers are prepared at the forefront and still maintain the cultural significance.

The FDLTCC Elementary Education Committee will meet two (2) times a year in the fall and spring. Your support will not only benefit students but also help build a very strong need within the education field and all the communities we serve.

I would be grateful for your support to be a member of the FDLTCC Education Advisory Committee. I am sending this as a calendar link to allow for a first-time dialogue for May 20<sup>th</sup> with a zoom link. I would like to plan a lunch for this spring; however, I also know schedules are busy, so I will plan a luncheon in the Fall 2025. For this first meeting this spring we will discuss and walk-through the committees' opportunities and expectations. Can you respond to the invite date and whether you can attend, this will be helpful. If the date/ or time is not good for you but would still be interested in serving on the committee please email me, as the date and time could possibly change to meet the needs of this committee or if you have any questions.

With warm regards,

Sara Montgomery,

FDLTCC Dean of Education
