

FDLTCC Workforce Development Scholarship Opportunity

Minimum qualifications for eligibility are taking at least 9 credits each semester and being a MN resident.

The Legislature created the Workforce Development Scholarships in 2017. Since then, through the work of many campus leaders and support from business and community organizations, our colleges have been able to award hundreds of workforce development scholarships. The Legislature has continued their commitment to the program to colleges for this academic year. This scholarship is available for four semesters.

Note: *If you are in the BS in Elementary Education, you may want to reserve one of the four semesters for your student teaching semester since you will be working full time in a school setting.*

Please complete the following form and email to kimberly.spoor@fdltcc.edu if you wish to be considered for a scholarship.
